MESSAGE FROM THE WNHF PRESIDENT

Cory Helmer

Cory Helmer
Winfield Market President
Union State Bank

William Newton Memorial Hospital has been a vital part of our Community for over 100 years. To see the progressive addition of services over the past several years and the recent renovations to the Hospital campus due in large part to the success of the Phase I Capital Campaign is very gratifying to me. Being from Winfield and having experienced the top notch services provided by William Newton Memorial Hospital, I feel honored to be able to contribute to its continued success through my service on the William Newton Healthcare Foundation Board as we work to ensure that William Newton Memorial Hospital is here for the next 100 years and beyond.

UPLIFTING NEWS

+ **On the Cover: Gary & Mary Brewer** stand in front of the nameplate and 50+ year old stained glass panels featured in the Gary & Mary Brewer Interfaith Chapel. Read more on pg 3.

+ **Ice Machine Donation:** Thank you to Wanda & Eric Andreas for donating a new ice machine for the Sugery Center. Nurses like

Susan (pictured,) use the machine several times a day, saving them several trips out to the kitchen. Eric and Wanda are some of our biggest community fans. We are grateful to them for being grateful patients and seeing needs for equipment at the hospital, and are pleased that they continue to keep William Newton Hospital as a philanthropic priority.

CURRENT FUNDING NEEDS

+ SANE camera --\$29,000

+ Food for staff—pre-packaged or catered only. Contact Brittney to coordinate, 620.222.6275

UPCOMING EVENTS

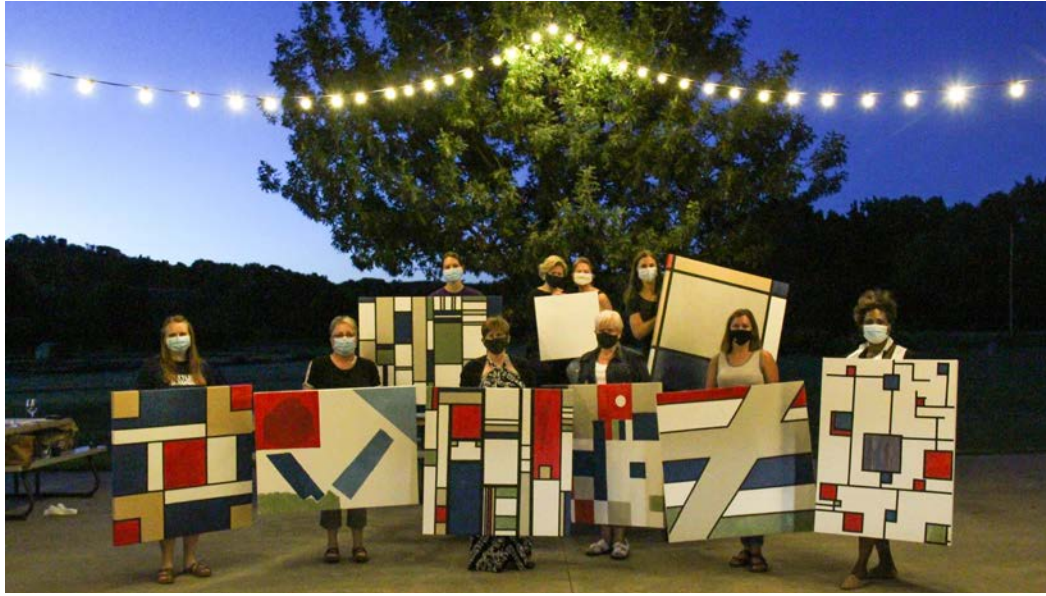

+ Gala 2020 (virtual) - October 10, 2020, 7:00pm - 8:00pm. The 2020 Gala is going virtual! Invitations will be sent out soon with more information.

PAINT YOUR HEART OUT

Ten artists gathered at Wheat State Wine Co. to let their creativity shine last week. These ladies created Mondrian-style pieces (see the stained glass panels in the cover photo to see our inspiration) that will be on display soon in the H. L. Snyder Medical Foundation Surgery Center hallways. See more photos soon on the WNHF Facebook page!

WHAT DO YOUR DONATIONS MEAN TO THE WNH SANE DEPARTMENT?

"Our WNHF Mini Grant has allowed us to procure updated equipment that will make exams much more efficient, safe, and calming for sexual assault patients. Part of our grant will purchase a foot pedal to operate our camera, allowing for hands-free camera operation while caring for the patient. We will also purchase new clothes for patients that are appropriate for all seasons, so we don't have people exiting the hospital after an exam wearing sweatpants/sweatshirts in the summer. The SANE Department is not a money-making department, but it is a very important healthcare service to our community. Assistance from the foundation helps immensely and we are grateful." - Kristi Powers, RN

MINI GRANTS

Mini Grants were recently awarded to 21 WNH departments. Mini Grant contributions, which come directly from funds donated by people like you, totaled \$14,102.84, and an additional \$4,272.14 from the hospital will cover remaining costs for individual requests. Thank you to all of our donors and to our board for making the mini grants a possibility for our employees year after year.

GARY AND MARY BREWER INTERFAITH CHAPEL

If you haven't seen our virtual Blessing of the Chapel, head over to our Facebook page to view the livestream hosted by **Gary & Mary Brewer, Rev. Julie Lashier,** and WNH Director **Annika Morris.** We also want to say a huge thank you to Agora Architecture for the eye-catching renderings shown below and Galaxie Business Equipment for helping us with the beautiful furniture. We appreciate Gary and Mary's donations to the chapel and look forward to the community using the space.

PHYSICIAN MEET & GREET

Thank you to all who stopped by for our physician meet & greet on Thursday evening at Wheat State Wine, Co. Unfortunately, a few physicians were unable to make it, but we were still able to welcome **Dr. Peters, Dr. Lyman, & Dr. Elliott** to our team with a beautiful evening filled with wine, snacks, and good conversation. In addition to celebrating our newest physicians, we celebrated the retirements of **Dr. Fullen & Dr. Kaul.** Watch our Facebook page this week for more photos and a video recap from the event, along with well wishes for our retirees.
