## WELCOME BACK TO THE BOARD, BECKY!

**Becky Long**  
Realtor - Albright Realty  
WNHF Board Member

I am proudly serving my 10th year on the WNHF Board and I am grateful for all we have been able to accomplish during that time. It is a blessing to be part of an organization that fundraises to help William Newton Hospital remain vital and on the cutting edge of technology and healthcare. Our doctors, nurses, support staff, administration, and volunteers are amazing. It is nothing short of incredible that a small town like Winfield has recruited and maintained such a talented, well-trained team of health care experts. They wouldn't be here if they didn't love the hospital, the town, their fellow employees, and the support from the community. You too can help support the foundation and in turn, William Newton Hospital. Donations are always welcome. Add a gift to the hospital in your will or trust and you will help keep William Newton viable for another 100 years!

## UPLIFTING NEWS

- + **On the Cover:** The WNH Auxiliary held their annual golf tournament on Aug. 28. Funds from this year's tournament will go towards the Auxiliary's \$250,000 campaign pledge, funding their surgery waiting room in the new surgery center. See more photos from the event on their Facebook page!
- + **Scholarships:** Congratulations to Nicole Wallace, radiology, and Brandi Gordon, home health, for receiving WNHF Professional Scholarships.
- + **New Emergency Fund for Employees:** Thanks to a starting donation of \$500 from a WNH employee, an employee fund was created to assist fellow coworkers in need, whether due to COVID or some other disaster. In order to not duplicate efforts, the foundation worked with HR to create a line item in the hospital's existing EAP policies so the new fund can be an additional resource for employees when they need it most. A grateful heart like this makes working at WNH seem more of a family atmosphere than just a job.

## CURRENT FUNDING NEEDS
