## MESSAGE FROM THE HERITAGE SOCIETY

As a Financial Planner in today's environment, why is it important to remember our local hospital?

As we all have endured the pandemic of the COVID-19 virus this year it has reinforced to me that the battles are being fought by our healthcare professionals. Leading that way is William Newton Hospital. We all understand how important it is to have a strong local hospital in normal times, this focus is even greater in our community's time of need.

The way for us to insure that future generations of Winfield citizens will also be able to have great healthcare is to support our hospital. Support can be manifested in multiple ways. As I talk to estate planning prospects one question that I always ask is what is your charitable intent? Do you have a specific charity, such as a hospital foundation in mind?

How can we give to William Newton? Cash gifts help with current financial needs, gifts of highly appreciated stock can be donated, gifts from an IRA can given, and gifts that come from you including us in your will, or other estate planning documents, are ways to make your legacy and the future of William Newton Hospital meeting our healthcare needs a reality.

Remember the hardest part is making a decision to give, and making it happen. We can help you carry out your wishes.

# SUPER-POWERS SWEEPSTAKES

**Greg & Kristi Powers** are well-known in the halls of WNH and in the Winfield community. Greg is a former nurse (you might also recognize him as our modern day William Newton) and Kristi is a nurse/House Supervisor who will be retiring in a couple weeks. Around here, they're famous for the work they do caring for patients and coworkers, but also for their award-winning food truck, Naughty Nurses BBQ. With their retirement from nursing and the food industry, they

wanted to give back to the community they have served for so many years.

Affectionately named 'Super-Powers Sweepstakes', and in honor of May being BBQ month, Greg & Kristi are hosting a daily drawing for all WNH employees in the form of cash prizes and gift certificates to local businesses. All 365 of our employees are automatically entered in the drawings, which will take place Monday-Friday each week until the end of May. Kristi said, "we want to donate as a way to continue good vibes from naughty nurses!" At the end of each week (or as soon as we can in this case), we'll highlight our daily winners on our Facebook page.

Congratulations to our week 1 winners: **Joe Hanna, Anthony Hann, Del Perry, Shannon Hinson, and Blake Boswell!** Thank you to donors like Greg & Kristi who make it possible for us to continue giving to our employees in any way we can. In a time when several hospitals or local businesses are struggling, we're so blessed to be able to not only continue providing quality patient care, but to have a community that appreciates our staff as much as we do.
