MESSAGE FROM MEL: SUPPORTING THE FOUNDATION

The foundation has been a big part of the activities that have kept our staff going over the last year. This is just one of the reasons that I think it is so important to support the foundation in any way I can. In addition, they were instrumental in adding new service lines that will greatly benefit our community.

Melanie Burnett
Education & Infection Control, WNHF employee committee member

There are so many different ways you can help the foundation, in small ways or big. There are volunteer opportunities, donation opportunities (cash, check, PTO, all accepted 😊) even just taking part in the many fundraising events throughout the year. There is one coming up in June that is always a big hit with staff and visitors alike - the basket auction! There have been baskets of every kind put together, BBQ, spa, pet, movie night, wine night, night out, summer fun for kids, baker's favs, etc. Please think about taking the opportunity to join one of the many opportunities to support our foundation. After all, it comes right back to all of us in one way or another!

UPLIFTING NEWS

+ **On the Cover:** The 'Grape Expectations' team joined nearly 400 participants in the 9th annual Wine-O Trail Run on May 22 at Wheat State Wine, Co. Despite the rainy weather, we had a great time giving people an excuse to get out of the house to spend some time on the trails! Thank you to all of our sponsors and **Wheat State Wine, Co.** for making this event possible year after year. Photos will be posted on the WNHF Facebook page later this week or early next week.

+ **Summer Silent Auction:** We're holding our annual silent auction fundraiser at the hospital June 15-18. This fundraiser typically raises over \$1,000 for the hospital. While this is usually an internal fundraiser for employees and visitors, we want to open it up to all of you! If you or your business would like to donate a basket for the auction, let us know and find more info on page 4. Or if you'd just like to come bid on a package, stop by that week to see what kind of packages are available!

PUTTING THE HEART BACK INTO HEALTHCARE WINNERS

On Tuesday evening we invited all the 2020 & 2021 winners and honorable mentions of the annual coloring contest to a private art reception at Winfield Arts & Humanities. We were thrilled to welcome over 80 people at the reception, including parents, grandparents, friends, and siblings, celebrating their children's art. All the winning artwork (including honorable mentions) will be available for purchase in the form of mailable postcards later this summer. Stay tuned for an announcement when those are ready to purchase.

This fall, we'll continue celebrating these artists at Art in the Park on October 2. Students will be recognized during a short presentation and we'll be playing BINGO at the PHBH booth. Several prints of the students' artwork will also be on display at the PHBH booth. Come see us!

Paint Therapy
with Madeline Norland

Join Madeline Norland and 11 other art enthusiasts to enjoy an evening of creating your own unique expression of tranquility. You don't have to have a degree in visual arts for this fun experience. Madeline, a former art museum educator, will guide you through the process of making a blank canvas a thing of beauty. When finished, your painting will be displayed on the walls of the Winfield Healthcare Center, bringing beauty and comfort to patients of our cancer center and orthopedics clinic.

This class will focus on the works of Monet, specifically on his portrayal of nature and tranquil landscapes. For just \$60, you'll receive a glass of wine, food, and paint therapy class.

To reserve your spot, contact the William Newton Healthcare Foundation at 620.222.6275.
